**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Support broadband competition. Consumers need this kind of marketplace competition to keep prices down, and from keeping large monopolies like AT&T from raising telecommunication and internet usage rates.

Already, their rates are triple what I pay for my cell phone at Consumer Cellular and much higher than what I pay at sonic.net for internet and lan phone.

Keep broadband competition in the marketplace--it is the American way.
